Subject: RE: Availability to Testify -- 12/16/09

Good morning Nick. Right now, I only have one other summons for 12/16 and that is also in Chelsea. It's still pretty far away to know for sure if I can make it. Sometimes we're not notified that we need to testify until a few days before trial. The lab doesn't have any knowledge of this "Chelsea court day". In fact, most of the lab is summonsed elsewhere on that day. Kate is [REDACTED] for another couple weeks so I don't know if she'll be available yet. Hope this helps. Let me know if you have any questions or if there's anything I can do to help.

-Dan

Daniel & Kate:

I'm sure your inboxes are inundated with these requests, but I'm wondering if you are available to testify in Chelsea on 12/16/09. As I understand it, that's the day in December that's been designated as the "Chelsea" court day for you folks.

Your Lab Number is [REDACTED], and the defendant's name is [REDACTED]

Let me know if that date works for you. I'll wait until I hear back from you to send summonses.

Thanks,

Nick Brandt
